**Von Madelynnne Ellis : Phantasmagoria (Scandalous Seductions Book 3)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Phantasmagoria (Scandalous Seductions Book 3):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. It's really phantastic! Von Buecker, Bernhard I have no idea, why - after such a long time - I am asked to write some kind of criticism! Well, I enjoyed reading the book.

Kurzbeschreibung Another wonderfully decadent piece of historical erotica featuring a very Gothic menage... 1800 - Three years after escaping to London with her bisexual lovers, Bella Rusdale wakes one morning to find their delicate ménage à trois about to shatter. Vaughan, Marquis of Pennerley has left abruptly and without any explanation. Determined to reclaim him and preserve their relationship, Bella pursues him to his family seat on the Welsh Borders, where she finds herself embroiled in his preparations for a diabolical gothic celebration on All Hallows Eve - a phantasmagoria. Among the shadows and phantoms, Bella and her lovers will peel away the deceptions and desires of past and future.
