Von Sherrilyn Kenyon : Phantom in the Night (B.A.D. Agency) before purchasing it in order to gage whether or not it would be worth my time, and all praised Phantom in the Night (B.A.D. Agency):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Phantom in the Night (Bureau of American Defense)Von Bcherwurm73I have red the other books from this series and had high

hopes for this book. The story in short is about Nathan Drake the typical hero doing what is right, saving his brother. Having the usual amount of honor etc. Then put into the picture Terri Mitchell who is a consultant for the Bureau of American Defense in New Orleans, who runs across Nathan Drake during her investigation into the mysterious death of members of the organized crime scene. I missed the usual spark that Sherrilyn Kenyon's books have. The story was good but somehow I still had a hard time reading it till the end. Something was missing...I am not sure if this was due to the writing team constellation as this book was written together with Dianna Love or that I have been spoiled too much by the Dark Hunter series :-). It was an ok read but it did not knock me off my socks so to speak. However I can recommend the other books from the BAD series, so far the other books I liked very much.

Kurzbeschreibung In New York Times bestselling author Sherrilyn Kenyon's thrilling novel of romantic suspense, a gutsy female agent from the Bureau of American Defense encounters an elusive killer who isn't at all what he seems. After losing her mother to a vigilante killer, Terri Mitchell has dedicated her life to justice. Working covertly as a new agent for the Bureau of American Defense agency, she's consulting with the New Orleans Police Department to bust an organized crime ring suspected of funding terrorism. But when rumors surface of a phantom ghost terrorizing and killing the very people she's investigating, she's suspicious. Nathan Drake has spent his life protecting his family, the only thing that matters to him...until the most feared drug lord in the southeast takes everything Nathan holds dear. Now he's a man on a mission with nothing to lose. He figures he only needs to stay alive long enough to protect the innocent lives the killers are out to destroy. As the two of them seek a similar goal by different means, Terri and Nathan are drawn deep into an evil underbelly that cuts through all levels of society. Now two people who have no reason to trust must trust in each other or die. And if they die, a deadly attack will be unleashed on thousands of innocent people.
