!!!Von KomikerReally, really nicely written Fantasy.First part in a trilogy, interesting characters, got a good feel of a roleplaying universe....Really enjoyed the beginning with the origin Story of each character and how their paths converge towards a similar Goal.Totally recommended... as I recommend every single book of Ryk E. Spoor... Sorry, became a fan of him quite fast... Really upset at myself that I didn't begin reading him earlier.

KurzbeschreibungA new breakout fantasy epic filled with strong world building, engaging characters, and wondrous adventure.Kyri: a highborn young woman whose life is shattered by the murder of her kin. But even as Kyri flees her beloved land Evanwyl, she knows that she is her family's only hope for justice, and Evanwyl's only chance to escape a growing shadow of corruption and destruction.Now Kyri must venture across Zarathan, a world on the brink of a long foretold Chaos War. It is a struggle that may usher in a long age of darkness that is, if Kyri and her companions do not succeed in holding back the tide of evil that is rising. Those companions include valiant swordsman Tobimar Silverun, Prince of Skysand, exiled on the turn of a card and a prophecy, who is now seeking his people's lost homeland; and Poplock Duckweed, an unlikely hero whose diminutive size is as much a weapon as it is a weakness.Kyri's quest is as simple as it is profound: find a legendary ancient weaponsmith, take up the sword and armor of a new order of warrior defenders, and bring the power of justice and vengeance to the evil and corruption that has darkened her native land.At the publisher's request, this title is sold without DRM (Digital Rights Management).KurzbeschreibungA new breakout fantasy epic filled with strong world building, engaging characters, and wondrous adventure.Kyri: a highborn young woman whose life is shattered by the murder of her kin.
