Von Anyta Sunday : Phoenixed (A Guardian of the Angels Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Phoenixed (A Guardian of the Angels Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A brilliant end to a great seriesVon Kago77The story:Sylva and Attic are deeply in love with each other but they cannot be together since Attic has to marry Leah. They try to fight their feelings and they are searching for a way to defeat the Derinyes and to win the war between the demons and the Guardians.Marcus is still struggling with his demon-side and

his view of himself. Although, Dimitri is trying to make Marcus see that he is not evil because of his dark side it is very hard for him to accept himself as a worthy being. Alyse and Jason are trapped in Ache. Nevertheless, they do not give up and are trying to weaken the 3 Deriny queens from within. Anyta Sunday is really an extraordinary storyteller and The Guardian of the Angels is one of my favourite triologies. The books became better and better with each new novel. Therefore, I was very excited when the last book finally was released. I must say that Anyta did it! She exceeded all my expectations and brought the series with Phoenix to a brilliant and very satisfying end. And the bonus surprise of the book was that it is not told strictly of Sylvas point of view as the previous ones. I also got to read parts of the story of Marcus and Alyses point of view, which was fantastic, by the way. I love this book and I definitely recommend reading the whole series!!!

KurzbeschreibungGold. Such a beautiful color. Such deadly consequences. As one of the three keys to Eirene, Sylva must protect it at all cost to stop the Derinyes from storming the heavenly realm and taking it for their own. Sylva must keep its whereabouts secret. But its a secret that tears her apart. Saving a realm of souls comes at the price of destroying the few she cares about. In the final chapter of the Guardian of the Angels trilogy, Sylva, Attic, Marcus, and Alyse are locked in the battle between good and evil, right and wrong. And none of them are sure which side theyll come out on in the end. And whether their hearts will remain intact. KurzbeschreibungGold. Such a beautiful color. Such deadly consequences.
