Weg zur Selbsterkenntnis, was macht sie aus, was will sie, was nicht und wie möchte sie ihr Leben weiterleben?

Kurzbeschreibung Chloe Dixon is a struggling artist in her early thirties. Shes lived with her boyfriend Mark for almost two years and things seem to be going smoothly. Then one day Mark unexpectedly announces that hes going on holiday to Greece for a week with an old friend and a couple of girls. And suddenly the Picture is far from Perfect. Mark insists the holiday will be quite innocent. And Chloe trusts him. But can any woman really trust her boyfriend cavorting around a Greek island with another woman? And is she being unreasonable to think that this might not be a very nice thing to do to your girlfriend? As Chloe completes her latest canvas, she starts to wonder if this is the moment to take Mark out of the picture completely? 'Picture Imperfect' is a sparkling romantic comedy about trust, holidays and relationships. It is perfect for fans of Sophie Kinsella and Jane Green. Nicola Yeager was born in Lincoln to Dutch parents and is married with two children. She currently lives in London and Amsterdam. Endeavour Press is the UK's leading independent publisher of digital books.
