**Von Connie Mason : Pirate (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pirate (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. THIS BOOK IS FANTANTIC, I LOVED ITVon Ein KundeBased On Pine Island near Ft. Myers Fla. Pirate was interesting and as all of Ms. Mason's books made me want to learn more about the area. Guy and Bliss being married secretly are separated by two very greedy men(her father and his business partner, who wanted to marry Bliss for her money.) Guy being falsely accused of stealing by the two is thrown into prison, thinking all the time that Bliss was in with them. He

escapes when the partner hires a man to kill him. being insured. Guy is taken in by the brotherhood and begins his life as a Pirate seeking revenge on Bliss and the two men. The day their paths cross again, Guy finds that he doesn't hate her like he thought he did. The story keeps you very interested and does a lot to the emotions as one is reading it. It is an excellent book, making you feel part of the story instead of merely reading it. 1 von 1 Kunden fanden die folgende Rezension hilfreich. She never fails us. Von Ein Kunde Ms. Mason did it again with this book. She always tells the story, like you were there. It is wonderful how the girl and guy get together in the end, we always like to see that happen, she never fails us. I will continue to buy her books as long as she writes them! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Another Mason Classic!!! Von Ein Kunde Connie Mason lives up to our expectations with this one!! Guy and Bliss were great characters, I couldn't put this book down, read it straight thru. Can't wait for Connie Mason's next release.

**Kurzbeschreibung** Devastated by love's betrayal, nearly destroyed by the assassin who took his eye and left him for dead, Guy De Young was reborn as a man with no name: a pirate. His stare was unforgettable; the brilliant gaze enchanted women and struck fear in the hearts of men. Determined to ruin those who kept him from freedom and his heart's only desire, the reckless marauder could have been the Devil himself but for the single gleaming silver eye that recalled his past life. When his lost love, Bliss Grenville, fell into his clutches, the handsome buccaneer whisked her off to his island paradise, intent on revenge. But sometimes during those endless tropical nights, his lust for vengeance became an uncontrollable desire for the woman herself. Though he taken her captive, he would not be satisfied until she had freely given him her heart and soul.
