Von Lilah Suzanne : Pivot and Slip (English Edition) before purchasing it in order to gage whether or not it would

be worth my time, and all praised Pivot and Slip (English Edition):

KurzbeschreibungBalancing laughter with touching emotions, this novella is a great first effort. Carlys Book sFormer Olympic hopeful Jack Douglas traded competitive swimming for professional yoga and never looked back. When handsome pro boxer Felix Montero mistakenly registers for his yoga for Seniors class, Jack takes an active interest both in Felixs struggles to manage stress and in his heart and discovers along the way that he may have healing of his own to do.Faced with the ghosts of his athletic aspirations, can Jack return to his old dream or carve out a new path, and will Jack and Felixs budding romance survive the test of Felixs next bout in the ring?KurzbeschreibungBalancing laughter with touching emotions, this novella is a great first effort.
