A Great Category RomanceVon Tina EJane Miller has been in love with Trey Breckenridge III for years, but all along he has seen her as his reliable, sensible, trustworthy secretary and no more. Times change when Trey needs to pretend he's engaged to prove to his father he has settled down in order to gain control of the company.Trey turns to ever efficient Jane for help and she agrees to the masquerade, figuring it's as close to him as she's likely to ever get. But Trey hadn't counted on what a little make-up and some good clothes would do to Jane's appearance...This is a very good category

romance and is well worth the read. It could have been better if the author wrote more detailed love scenes, but the book is still a 5 without them.

Kurzbeschreibung Cinderella Brides: These women are living out their very own fairy tales but will they live happily ever after? "SCHEDULE A WEDDING AND FIND ME A WIFE!" It had taken five years, but Jane Miller's dynamic, handsome and commanding boss had FINALLY proposed even though she knew he'd never seen the shy, yearning glances she'd sent him. She was so happy she could cry and did when she heard the rest of the plan! Because although this was a real wedding, it wouldn't be a real marriage. Trey Breckenridge III had business mergers in the making, and needed a wife to seal the deal. But "Plain" Jane made an additional wedding vow that before the honeymoon was over, Trey would realize just what he'd been missing all these years.
