Von Christi Barth : Planning for Love (Aisle Bound) before purchasing it in order to gage whether or not it would be worth my time, and all praised Planning for Love (Aisle Bound):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good romanceVon DoortalksPlanning for love is a good, well build romance with the omnipotent script - the guy is scared from emotion/commitment, the girl will heal him. The sexy scenes are hot, the tension in the story is working good.

Maybe too good for me, since I found the ending a little bit too quick and not fitting to the rest ... Like the author noticed the page goal is nearly there and squeezed the happy end in less place than planned. This and that the heroine is too perfectly styled all the time (and that there is no solution to the mystery why Daphne wanted to look good at the pajama party! ;-)) takes for me one star from five down. But all in all it was an entertaining story, just right for freeing your head from daily stress. Definitely recommended! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good read
Von Aleksandra Grozdanic
Funny and romantic book, with a lot of surprises. Really loved it! Would love to know how the story goes on!

Kurzbeschreibung
Hopeless romantic Ivy Rhodes and anti-Cupid Bennett Westcott request the pleasure of your company for their disaster of a courtship
Wedding planner Ivy Rhodes is the best in the business, and she's not about to let a personal problem stop her from getting ahead. So when she's asked to star in the reality TV show Planning for Love, it doesn't matter that the show's videographer happens to be a recent and heartbreaking one-night stand. Bennett Westcott admits he didn't handle his encounter with Ivy very well. But looking at her beautiful smile and great body through a camera lens every day? He can't be faulted for suggesting they have some no-strings fun. The more time they spend together, the more Ben realizes Ivy isn't the wedding-crazed bridezilla he'd imagined. But if he doesn't trust himself to make a relationship last, how can he convince Ivy to give him another chance? 97,000
