Trotz gngiger Klischees sehr unterhaltend und mitreierend-3.5 Sterne!Von CustomerIch war ziemlich gespannt auf dieses Buch, da ich die Autorin des Buches frher auch als Bloggerin verfolgt habe und sie mir wirklich sympathisch war. Ich finde auch, dass sie ein ziemlich gutes Buch geschrieben hat, das wirklich fesselnd ist. Trotzdem muss ich sagen, hat

es mich gestört, dass sich Lisa de Jong so vieler Klischees bedient hat. Gutes Mädchen trifft auf bösen Jungen, sie will sich von ihm fernhalten, schafft es nicht, böser Junge ist gar nicht so böse, Missverständnisse, die eigentlich hätten vermieden werden können, usw. Jedoch konnte mich dieses Buch trotz stereotypischer Elemente berzeugen. Ich mochte die Charaktere ganz gerne und außerdem war das Buch wirklich sehr schön zu lesen. Der Schreibstil war meist sehr flüssig zu lesen, an einigen Stellen finde ich, dass es etwas gestockt hat, aber im Großen und Ganzen fand ich ihn wirklich in Ordnung. Was mich gefreut hat, ist, dass in diesem Buch auch sehr wenige Fehler auftreten, die Autorin hat wirklich darauf geachtet, Rechtschreibfehler und Logikfehler zu vermeiden. Natürlich war die Handlung sehr vorhersehbar, aber die Charaktere waren mir sympathisch genug, um darüber hinwegsehen zu können. Die Liebesgeschichte ging natürlich ziemlich sehr schnell voran, ziemlich bald ist es die große Liebe. Trotzdem hat sie mir gefallen, ich fand sie wirklich schön und romantisch, wenn auch ziemlich kitschig. Mich hat etwas Alex' Opferbereitschaft gestört, das ging mir wirklich auf die Nerven. Kann man nicht mit dem Partner reden, wenn es Probleme gibt? Dieses ganze Drama hätte man wirklich vermeiden können. Auch das Ende ging mir etwas zu schnell, trotzdem bin ich ganz zufrieden damit, da es so geendet hat, wie ich wollte... :D Generell ist dieses Buch wirklich empfehlenswert für Leute, die kitschige College-Liebesgeschichte mögen und auch nichts dagegen haben, dass die Handlung vorhersehbar ist. Außerdem lässt sich diese Geschichte wirklich sehr schnell lesen, sie ist wirklich sehr gut für einen entspannten Nachmittag geeignet. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Will make your heart melt... Von LittleDarling Let me start this review by saying that this book is absolutely amazing. So amazing I stayed up past midnight to find out how it ends and if Alex and Dane will find back together. I will give this much away and say that it has a happy ending, but the way there is full of obstacles, challenges, tears, pain and regret. And as a reader you'll suffer right along with them. At least that is what I did. I was so furious with Alex at times for letting her parents bully her into the wrong decision and for hurting Dane with it. But I guess some childhood issues are hard to let go off and so I suffered with her, I wanted to console her and I wanted to slap the living hell out of her cold-hearted evil parents. Dane on the other hand. OMG, he was so swoon-worthy and caring and lovable. Despite his slight possessiveness or jealousy issues he was just adorable. The way he cared of Alex, the way he wanted to help her get stronger and find herself, the way he took risks for her he'd never taken before was beautiful. And the way he broke when she broke his heart was devastating. When you read the parts about him crumbling, all you want to do is take him in your arms and take his pain away. Alex friend Jade was a loveable and fun character. I just wished Lisa De Jong would have explained more on what was going on between her and Tyler. This book altogether was funny, sweet, heart-breaking, adorable and plain beautiful. I can't wait to read more from Lisa De Jong. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Nice story Von Customer This book is well written and an easy to read e-book. Yet the characters are a bit too simple. I would have wished for a bit more detail here and there. All in all a nice book for an evening on the couch if you are into lovestories with a nice twist. 3,5 out of 5 stars.

Kurzbeschreibung My life has always been safe. I like it that way. I grew up in a fake society where plastic hearts rule. If our hearts are made of plastic, they can never be broken. My parents have expectations and I do everything I can to meet them, even if it means giving up on my own dreams. Now, all I want is to be free to make my own choices. Dane Wright is everything I have been warned to stay away from. We met one night while I was with my perfect, parent-approved boyfriend and I haven't stopped thinking about him. I don't want to like him. I am doing everything I can to ignore his pull, but my heart seems to want what it cannot have, what it has never had. Can he measure up? He may think I am too good for him, but maybe he is too good for me. Life is a series of choices and I have never been able to make my own. Until one day, when my heart decides to make a choice for me. Recommended for mature readers due to sexual content and language. Kurzbeschreibung My life has always been safe. I like it that way.
