KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. cute and fluffyVon ColeA cute short story about Fergus and John. Loved meeting these two hot lads again a few month after

moving in together. They're getting used to each other by now, and they're certainly committed. Or so it seems. Life would be perfect if John could believe they're on equal terms in that department. But it seems that Fergus is holding back. The question is: Can Fergus get past his ingrained mistrust of men and rekindle the faith in someone's fidelity?. Or will he continue to play safe? This is short, fun and well written, and yes, there was steam in so many different ways, but maybe not quite as much as in the full length novels. This is a lovely addition to the series though and if you have enjoyed these books so far, you can't miss this one out. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice one Avery Von Al-Khemet Book Club Fergus and John captivates you, the leave you spellbound and all you want is for these two to have a happy ending, not all tales are fun-filled though, every relationship has its ups and downs and struggles and this was no exception. A good short read from Avery.
