sexy funny adorable stars - Great start to a new series!!! Von Bianca @BJsBBCassidy and Shaw are both very talented and successful sports agents. They're both working for the same company and they can't stand each other! And now their boss told them, that whoever wins this next huge football client, will become new partner. LET THE GAMES BEGIN! Shaw decides to seduce the 'Ice-Queen', to make her lose focus. And Cassidy .... well, her friends put that exact same idea in her head.... Now they have to not only fight to be the better agent and get the job - they have to fight against their growing feelings for each other. But pfff - who has feelings - not those two at least they both think they still hate each other. Let's see how long it takes them to get their HEA WHAT WILL HAPPEN TO SHAW CASSIDY?? WILL THERE BE A HAPPY END???? Or will there be a horrible Cliffhanger?? I'm not telling you, of course I don't want to spoil your reading pleasure OK - there WILL be a Cliffy :/ I kinda thought that the next book in the series would be about secondary characters - but nope - Shaw and Cassidy's story will take longer than this one book! I LIKE!!! \_\_\_\_\_ Great Story! I really enjoyed reading it. You fall in love with Shaw really fast and we kind of get the impression from him, that it was Cassidy who's responsible for their constant fighting. She had the wrong impression of him, before he ever started working at the company. Shaw was actually looking forward to working with her... but she insulted him with her first words to him :( Poor guy. But it's not her fault at all - it's just all those rumors she heard - all not true of course And because he's just so good-looking and comfortable in his own skin - Cassidy immediately thought he must be a horrible person. It's really funny to read about their constant fighting and insulting each other.... But there's also this huge attraction and the sizzling sexiness whenever they're in a room together! You just know that they're perfect for each other - they just need to realize it... We have LOTS of sexy scenes!!! Some of them might not actually happen though There are some great characters in this book - can't wait to read more about them all in the next books! Some things I didn't like all that much.. Nothing too bad - it was just a bit too much redundant stuff in there for me... And they both talk a bit too much about themselves - how great they are .... not really humble those two PLAYING DIRTY was a great start to a new series! Very sexy funny adorable!! GO. GET. IT. And now please Ms. Parker - GIVE. ME. GETTING. ROUGH. NOW!!!
