Von LuAnn McLane : Playing for Keeps: A Cricket Creek Novel before purchasing it in order to gage whether or not it would be worth my time, and all praised Playing for Keeps: A Cricket Creek Novel:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Light-hearted and entertainingVon Katzenjammer123When former baseball star Noah Falcon comes back to his hometown

Cricket Creek he is at first only interested in brushing up his acting skills. But as soon as he meets Olivia Lawson again there is more than just acting he is interested in. When both get the leading role in a theatre play Noah takes the chance to get to know Olivia better and convince her that she should give their attraction a chance. Olivia doesn't want to be impressed by Noah however she can't resist his charm for long. But what will happen after the play? Noah and Olivia are not the only ones who are dealing with attraction and love. Writer Madison is fighting with Jason Craig whenever they meet. Soon she begins to wonder if there is more to their banter and if she should take their attraction to the next level. Will both pairs get a happy end? And will they manage to help their struggling hometown Cricket Creek? I have read all books by LuAnn McLane and so far I enjoyed them all. So I was excited to read her new book and once again I enjoyed the story right from the start on. The very likable characters and especially the adorable town Cricket Creek made this book delightful. I enjoyed reading about the four main characters and was happy that they found love. I like that in LuAnn McLane's books there is no guessing about who will end up with whom and that there is no unnecessary drama. The author's writing style is very engaging and while reading "Playing for keeps" I could relax and had to smile a lot. All of the characters in this book were likable and the whole town was amazing and cute. The town is full of hard-working, nice people and I especially enjoyed that they care so much about their town. The town is a wonderful community and I'm happy that there will be more books about this special, little place. Both love stories were sweet and together with the sexy scenes I was completely satisfied by what happened between Olivia Noah and Madison Jason. I enjoyed that there were able to sort out their misunderstandings without too much drama and especially the men really impressed me through their actions. The only thing that bothered me a bit is that at two times I thought that the timing was messed up (once regarding the age of a character and the other time regarding how long two people were already a pair). However this bothered me only a bit because the rest of the book was so engaging and entertaining. I will definitely read the next book in the series because I want to know what will happen in Cricket Creek next. cover I like the colours however I think the motive is a tiny bit boring and I miss a link to the theatre and baseball. final appraisal "Playing for keeps" is a light-hearted romance that made me smile and laugh a lot. LuAnn McLane's engaging writing style, her likable characters and the people of Cricket Creek made this book so entertaining and I enjoyed reading it a lot. I would recommend this book to all readers interested in an engaging, light-hearted and relaxed romance that plays in a beautiful and nice little town.

Kurzbeschreibung Olivia Lawson is peeved when ex-ace pitcher turned soap opera star Noah Falcon roars back into Cricket Creek, Kentucky, after all these years, to take the lead opposite her in the community theater's summer play. Noah's beloved hometown is having major financial woes and needs his status to turn this small-town play into a big-time hit. But Noah has bigger plans for this small town. And this time he's determined to show Olivia he's not just playing around-he's playing for keeps. Kurzbeschreibung Olivia Lawson is peeved when ex-ace pitcher turned soap opera star Noah Falcon roars back into Cricket Creek, Kentucky, after all these years, to take the lead opposite her in the community theater's summer play. Noah's beloved hometown is having major financial woes and needs his status to turn this small-town play into a big-time hit. But Noah has bigger plans for this small town. And this time he's determined to show Olivia he's not just playing around-he's playing for keeps. ber den Autor und weitere Mitwirkende LuAnn McLane lives in Florence, Kentucky, just outside Cincinnati, Ohio. When she takes breaks from writing, she enjoys long walks with her husband, watching chick flicks with her daughter, and trying to keep up with her three active sons.
