Von Heather Peters : Playing for Keeps/Body Check (Rules of the Game Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Playing for Keeps/Body Check (Rules of the Game Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Nice sport romance storiesVon GatalinaThere are two stories in this book, so if you are not keen of short stories you might

reconsider buying it. Both stories are simple and they don't have a lot of pages to develop, but I still enjoyed the book. I definitely would like to read more from this author. One star less because the stories are short.

Kurzbeschreibung Nick Dante, number one pitcher for the California Condors, moves back to his native Brooklyn after an injury in the last game of the season. Once he discovers his ex-wife, Jenna has also moved back to New York, he has a singular intent - find out why Jenna divorced him in the first place. Jenna Valentine can't but still pine for the man who was the love of her life. But what will happen when Jenna finally confesses the secret that drove her to end their relationship? Will she break his heart all over again? Or will Nick forgive her and prove he's Playing for Keeps. Mia Sinclair, publicity director for the New York Thunder, is also the boss's daughter. Quinn Rafferty, fun loving star goaltender for the Thunder defies authority and Mia's overprotective father. They begin a torrid affair that threatens both their positions with the team, and causes Mia to re-think their relationship. Should she trust her own instincts? Or is Quinn's interest no more than a Body Check.

ber den Autor und weitere Mitwirkende A New York Native, Heather Peters has been a hopeless romantic ever since discovering Kathleen Woodiwiss in the 70's she's been reading and writing romance ever since. She tried her hand at writing fan-fiction in the early 90's and liked it so much, she decided to write a full length novel...Eight published contemporary romance e-books later, Heather is forever a romance junkie. At the moment her passions include: 80's music, cooking Italian, dancing, good friends, and two amazing grandchildren.
