23jhrige Schauspielerin Jill, welche die kleine Schwester von Julia aus der Seductive Nights Serie ist. Sie lebt ihr Leben wegen alter Schuldgefühle alleine. Sie gibt vor glücklich zu sein und himmelt heimlich einen anderen Schauspieler an. Dann bekommt sie eine neue Rolle am Theater. Ihr neuer Theaterdirektor erweckt nun neue Gefühle in ihr. Eine richtig fesselnde Handlung und Spannung hatte das Buch leider nicht. Der Mann war toll, gefühlvoll, geduldig und erfolgreich. Aber Jill kam rüber wie ein unentschiedenes, zartes Pflänzchen. Lange ging es hin und her mit ihren Gefühlen, bis sie mal zu Potte kam. Das war etwas lahm für meinen Geschmack.

KurzbeschreibungA standalone romance from #1 New York Times Bestselling Author Lauren Blakely...He's sexy, sophisticated, possessive...and my boss. I'm trying to resist him, I swear. I'm good at resisting, and at playing pretend too. It's what I do for a living. But as Davis Milo directs me in my first Broadway play, I'm having a harder time pretending that I don't want him to take me. On the piano. In the limo. In the dressing room. Anywhere and everywhere. And the more he guides me through staged kisses, the more I want them to be real. ***I damn well know the first rule of directing: Never fall for your leading lady. But I'm captivated by her raw talent, and fighting this desire grows harder every day I spend with her. Keeping things professional isn't an option. I want all of her. Soon we're staying late in the empty theatre, our private rehearsals spiraling into new, forbidden territory. I swear I'm not playing with her heart, but how can I be sure that what she feels is real, and not a part of the play?KurzbeschreibungA standalone romance from #1 New York Times Bestselling Author Lauren Blakely...He's sexy, sophisticated, possessive...and my boss.
