Von Sandrine Gasq-Dion : Pleading the Fifth (Assassin/Shifter Book 13) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pleading the Fifth (Assassin/Shifter Book 13) (English Edition):

KurzbeschreibungWARNING: This book contains material that maybe offensive to some: Violence, graphic language, homosexual relations and adult situations.If you are offended and or insulted by joking references to Erectile Dysfunction, Incontinence, sexually transmitted diseases and mental illness, please do not purchase this book.~Book Thirteen~This book is part of a series. A simple trip to the airport brings Scott Delange just about everything except

the passenger he was planning to pick up. Texting back and forth with a raunchy, unknown man leads to a case of mistaken identity and one hell of a huge surprise. Who knew a trip to Seattle would land Tristan Miles in the arms of his mate? Certainly not Tristan, who stopped looking for love a long time ago. When he meets Scott Delange, Tristan realizes the man is his. For life. There's just one little issue. The two men can't stand each other. Tristan is used to being the alpha male and that's bad news when his mate is wired the same way. Clawing and fighting to be top wolf causes more friction between the two men who sure do kiss a lot for people who can't stand each other. Can Tristan back down? Can Scott? Are both men guilty of too much pride? Maybe both should plead the Fifth.
