Von Eric Jerome Dickey : Pleasure (Nia) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pleasure (Nia):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Lots of Bumping and Grinding with Literary AllusionsVon Donald MitchellPleasure is a book about a woman's desire for more sexual fulfillment. Sensitized by Anais Nin's writings, Nia Simone Bijou is intrigued to find two men who fascinate and excite her. She climbs aboard to see how far the ride will take her.Curiously, although this book is supposed to be from a woman's perspective, I continually felt that I was reading a book from a man's perspective, translated into a woman's perspective by changing the sexes of the various characters. Many men are fascinated by having sexual relationships with two attractive women at the same time, but I'm not sure that very many women feel the same way about having two men.If you like erotic fiction, you'll probably enjoy this book more than I did. The

book became all too predictable after a while, and I didn't really care if I finished it or not. The story wasn't taking me anywhere I wanted to go . . . or to find out about. In addition, many of the sequences felt more like fantasy than reality. As such, it was hard to identify with the characters or the story. Eric Jerome Dickey is a talented writer, but he usually puts a little more content into his stories. This one was more sensation than substance.

Kurzbeschreibung The bold new blockbuster from the New York Times bestselling author. Born in Trinidad and living in Atlanta after a relationship gone bad, Nia Simone Bijou is an ambitious writer who has it all. Except for the one thing that'll give her the control she craves-and the power she deserves: absolute, uninhibited sexual satisfaction. Now, in the sweltering days and nights of summer, the heat is on. Nia's fantasies will become a reality-with man after man after man. She will shatter the limits of erotic love. She will open herself up to experiences she never dared before. And as her fantasies begin to spin out of control, she'll discover the unexpected price of the extreme. From Publishers Weekly Is obsession required to experience the ultimate in sexual fulfillment? Dickey searches for the answer to that question in his latest steamy romance (after *Waking with Enemies*) via Nia Simone Bijoux, a ghostwriter recently moved to Atlanta. A devout Anas Nin fan, Nia's in hot pursuit of the perfect lay. Enlivened by sometimes catchy narration (Self-pleasuring was popcorn.... My body was telling me it needed steak), Nia's adventures with identical sins, twins Mark and Karl, introduce her to the dubious delights of threesomes and more, leading eventually to a showdown with Mark's wife, Jewell Stewark, a TV anchorwoman. Marred somewhat by Nia's pretentious airs (her self-involvement can be crippling to the narrative), this erotic potboiler still delivers its message that saying yes to pleasure can also lead to self-enlightenment.
