AwesomeVon Gregor SchneiderBefore reading this book, you have to read the 1st 3 books to get a hang onto the storyline, but it's definately worth it.Great characters, turns, you don't expect, sadness, joy, tech, a bit of philosphy regarding time recursions, military action, some really good jokes ("sexually starved alien with four tits") , tensio -

long recension made short: Get that book! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Want more! Von William Ebaugh Despite being sometimes rather confusing as to who went when where what? (a part of the story which anyone that has read the previous three books will understand) I am still deeply engrossed in this adventure, and need more!

Kurzbeschreibung A starship lost. A creator found. A frantic race to save them both. For Colonel Mitchell Ares Williams, there is no giving up. There is no going back. The Goliath may have fallen into enemy hands, but the war must go on. After all, he and the Riggers have what they need to locate the Creator, the man responsible for the alien threat and the key to unraveling their unstoppable attack. All they have to do is get to him before the Tetron do. Its no easy task, but nothing about the war has ever been easy, and the Riggers still have a few tricks left up their sleeves.-----Point of Origin is the fourth book in the science-fiction War Eternal series.
