**Kurzbeschreibung**The battle to save the kingdoms devastated by the Plague culminates in this exhilarating finale to the Whispers from Mirrowen trilogy.If there is anything more dangerous than the Plague itself, it is the journey that awaits those sworn to stop it. Tyrus, the renegade magic-wielder exiled from Kenatos, knows this firsthand. His original mission through the Scourgelands met a tragic end, leaving him as the sole survivor.Now all hope lies with his daughter, Phae, the uniquely gifted Dryad-born who can not only steal memories but also summon the power of the firebloodand who alone has the power to breach the lost gate of Mirrowen. But first Phae and the comrades who have come to her aid must survive the most dangerous place on earth: the Scourgelands.The menacing woods prove every bit as treacherous as reputed. Murder, sacrifice, deception, and an epic battle with a beast ensue. Will Phae reach the land beyond the grasp of the deadly Plagueor will the quest through the Scourgelands end in tragedy once again?

ber den AutorJeff Wheeler took an early retirement from his career at Intel in 2014 to become a full-time author. He is, most importantly, a husband and father, and a devout member of his church. He is occasionally spotted roaming hills with oak trees and granite boulders in California or in any number of the state's majestic redwood groves.
