Von Kate Sherwood : Poor Little Rich Boy (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Poor Little Rich Boy (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Poor little rich boyVon IchHabMeinSachAufNichtsGestelltLove cannot only change your life but also the world you live in. Nick always assumed that being an adult will make him brave enough, will make him forget who he loved once..even if it is still painful to be in the same city. Abandoning his family seemed a good idea this time. But then, he has to come back to save a live...and his love.Kate Sherwood wrote a great story here. It contains so many inner conflicts that they are only hardly countable. Still, it's moving. I will always recommend this book.

Kurzbeschreibung Nick Colton was a spoiled rich kid when he ran away from Seattle, leaving his best friend and lover Alex Diaz behind. More than a decade later, he's back. He says he's there to donate bone marrow for his half-sister, but Alex knows there's more to it than that. Alex wants to protect himself and everyone else from Nick's plans, but he needs to spend time with the man in order to figure out what he's up to. And the more time they spend together, the more Alex realizes that his own attraction to Nick is far from resolved. Nick is bent on revenge, Alex is trying to maintain his straight and conservative lifestyle, but neither of them can forget what they used to have and what they might, someday, be able to have again.

ber den Autor und weitere Mitwirkende KATE SHERWOOD started writing at about the same time that she got back on a horse after a twenty-year break. She'd like to think that she's far too young for it to be a midlife crisis, but apparently she was ready for a few changes! Her writing focuses on characters and relationships, people trying to find out how much of themselves they need to keep and how much they can afford to give away. She tends to write about dramatic events, but always looks for the humor that helps keep us all sane. Look for updates at www.katesherwoodbooks.com
