KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. heavy stuffVon Daniel A.well this book sure is not for folks that are easily offended or shocked. but for all die hard extreme horror fans its a great read filled with sex n gore0 von 0 Kunden fanden die folgende Rezension hilfreich. Matt Shaw "Porn" (English, Kindle Edition)Von TebasileDie Warnung auf dem Cover ist durchaus ernst gemeint. "Extreme

Horror, Sex and Gore" trifft es genau. Dieses Buch ist nicht für empfindliche Leser. Für alle, die "explicit stuff" mögen: Hier ist das passende Buch! Die Handlung ist dicht gewebt und die Charaktere sind durchweg konsistent beschrieben. Auch die Ich-Perspektive in Shaw's ganz eigenem Stil unterstreicht die Konsistenz der Charaktere. Ein wirklich gelungenes Buch, ein echter "Page Turner". Für Freunde des intelligenten Splatter-Horrors gibt es nur eins: KAUFEN! 10 von 1 Kunden fanden die folgende Rezension hilfreich. Einfach genial! Von Customer Es gibt Bücher und Filme die kann man einfach nicht beschreiben. Man sollte sie lesen oder schauen. Daumen hoch dafür

Kurzbeschreibung WARNING: THIS IS AN EXTREME HORROR NOVEL. There is gore. There is bad language. There are scenes of a sexual nature. PORN tells the tragic tale of Victoria Sheldon - a young lady who wanted nothing more than to become an actress. With times being hard Victoria finds herself in the world of the Adult Movie Industry where she soon carves a name for herself. The offers are flowing in, as is the money, as she becomes more and more popular amongst the producers but then she meets him... A man with an offer she can't refuse even if she wanted to. A man who has other ideas about how pornographic films should be filmed. A man catering for a much, much darker audience. From the Dark Mind behind Sick B*stards, Tortured and Rotting Dead F*cks - PORN is a violent tale of sex and revenge. It is intended for a mature audience only.
