Von Garry Disher : Port Vila Blues (Wyatt) before purchasing it in order to gage whether or not it would be worth my time, and all praised Port Vila Blues (Wyatt):

Kurzbeschreibung Wyatt, the cool, ever-evasive thief, snatches the cash easily enough. He bypasses the alarm system, eludes the cops, makes it safely back to his hideout in Hobart. It's the diamond-studded Tiffany brooch and perhaps the girl that undoes him. Now some very hard people want to put Wyatt and that brooch out of circulation. But this is Wyatt's game and Wyatt sets the rule even if it means a reckoning somewhere far from home. In a murky world where the cops are robbers, old-style criminal Wyatt positively shines. *Pressestimmen* Praise for Port Vila Blues Voted one of Deadly Pleasures Magazine's Best Mystery-Crime Novels of 2012. *To Dishers* usual brisk pacing, add heaps of noir... a banquet for those who like it uncut and unsparing. *Kirkus* s, Starred "The scheming that goes into [Wyatt's] heists is outstanding in its originality." *Toronto Star* "Folks who are fans of Richard Stark's Parker will find much to like in Wyatt." *ing the Evidence* Recommended. *Spinetingler Magazine* Praise for the Wyatt series "Like an Australian Bob le Flambeur, *Disher's* titular robber is smooth, calm and planning a big heist." *Entertainment Weekly* *Pressestimmen* "Like an Australian Bob le Flambeur, *Disher's* titular robber is smooth, calm and planning a big heist." *Entertainment Weekly*
