Von Tip 'T.I.' Harris, David Ritz : Power Beauty: A Love Story of Life on the Streets before purchasing it in order to gage whether or not it would be worth my time, and all praised Power Beauty: A Love Story of Life on the Streets:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Schne (Liebes-)storyVon NikkiDie Story ansich ist gut. Den Aufbau des Buchs finde ich auch gut. An manchen Stellen ist es jedoch sehr unrealistisch und na ja doch etwas weit hergeholt (vor allem, dass nach dem er zwei Todesfle und den

Verlust von Beauty erleiden muss auch noch seine japanische Freundin erschossen wird...nun ja!) Habe auch die Fortsetzung gelesen und kann mich da nur den Kritiken anschließen- wo ist das Ende? Ist das das Ende? Wo ist es geblieben?

Now he displays yet another side of his remarkable talents with *Power Beauty*, a love story of life on the streets. Buchrückseite Hip-hop artist Tip "T.I." Harris has received every acclaim the music world has to offer. Now, working with bestselling celebrity collaborator David Ritz, T.I. applies all his talent and experience to the world of fiction by creating the epic love story of *Power* and *Beauty*. After the death of his mother, Charlotte, Paul Power Clay allows himself to be guided by Slim, a local businessman. Slim always has the best of everything, and Power is sure that if he learns Slim's ways, he'll make something of himself--and perhaps be worthy of Tanya Beauty Long. From Chicago to Miami to New York, through drugs, women, and violence, Power makes the difficult transition from boy to man and, in doing so, begins to question if those who have taught him--including Slim--truly have his best interests at heart. Beauty has always known that the only person she can rely on is herself. After her mother died when she was eleven years old, she was adopted by close family friend Charlotte Clay. But with Charlotte's death, Beauty knows she's no longer safe and protected--especially as Power gets sucked into a new kind of life. As soon as she can, she turns her back on Atlanta--and the growing love she feels for Power--for a chance to make it in the Big Apple. With a successful fashion career on the horizon, Beauty takes New York by storm with her wit, business savvy, and breathtaking good looks. But she's never forgotten those she left behind. And when it becomes clear that Power needs her, Beauty will risk everything to save the man she loves.
