A constant up and down of emotions Von vpobi I love this book and the two characters Jonathan and Bran (don). The development of their relationship is a constant up and down of emotions. It was such a huge step for Bran give up his stubbornness and totally indulge Jonathan. The description of how he comes into his subspace and how he is happy

that he does Jonathan pride was absolutely beautiful to read. I also found it nice that Brad feels so good as a sub and it even enjoys and then love. I think both in this book deserve to be loved. Then the conclusion? I thought I died and was overjoyed that there was an epilogue. LOVE IT! and think I'll read it again :)Ich liebe dieses Buch und die beiden Figuren Jonathan und Bran(don). Die Entwicklung ihrer Beziehung ist ein stndiges ein Auf und Ab von Emotionen. Es war so ein enormer Schritt fr Bran seine Sturheit abzulegen und sich Jonathan total hinzugeben. Die Beschreibung wie er in seine Subspace kommt und wie er sich freut, dass er Jonathan stolz macht, war total schn zu lesen. Ich fand es auch schn, dass Brad sich als Sub so gut fhlt und es sogar genieht und sich dann verliebt. Ich denke beide in diesem Buch haben es verdient, geliebt zu werden. Dann der Schluss? Ich dachte ich sterbe und war berglcklich, dass es einen Epilog gab. LOVE IT! und denke, ich werde es noch einmal lesen :)0 von 0 Kunden fanden die folgende Rezension hilfreich. Soothing sequenceVon VictoriaThe first volume was tough to read - and I loved it. But... this sequence only makes the first book better and the whole story more loveable.It is a worthy sequence to the (very tough) first volume. I especially appreciate that Brandon and Jonathan stay in character and that there is no magical solution to their problems. That they both have to work hard makes the whole story realistic and loveable. I applaud Rachel Haimowitz on finding the balance between the tough guys they are and the fluffy love we all want them to have. Not an easy turnaround!So all in all, this book is a satisfying read that soothed all the anger I had after the first volume! Well done!

KurzbeschreibungBrandon McKinney is a man reborn. Newly awakened to the notion of consensual power exchange and the submissive urges inside him, he begs for a second chance from the man who opened his eyes to this world: Silicon Valley superstar Jonathan Watkins. But no birth is absent pain, and Brandons is no exception. He fears hes not strong enough to see it through.Jonathan knows better. Hes seen the iron core inside his new submissive, and the wounded heart inside him too. He means to teach Brandon to heal the one with the other. They have five months left on their contract, after all, and Jonathan has done more with less before.Its tough to stay objective, though, when youre falling in love. Shame Brandon doesnt feel the same. Hes only there for the three-million-dollar payout at contracts end a fact that Jonathan, nursing his own wounded heart, reminds himself of each day. For even as Brandons barriers break and his mind expands, even as he grows to love his place at Jonathans feet, hell never love life with a sadist especially one who cannot escape the public eye.PressestimmenRT Book s -- "Haimowitz and Grant do a fabulous job of realistically building the relationship . . .
