Von Evelyn Adams : Practical Arrangement: Summer and Travis (The Southerlands Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Practical Arrangement:

Summer and Travis (The Southerlands Book 3) (English Edition):

Kurzbeschreibung Summer Maddox has had horrible luck when it comes to men. The only thing good to come out of it all is her daughter. Even though she feels guilty that her child doesnt have a father figure in her life, Summers learned from her mistakes and wont be repeating them After three tours in Afghanistan, Travis Southerland has finally come home. His body is healing, but his heart still aches for his friends who died in combat. He doesnt know if hell ever be whole, and the last thing he wants is to have someone depending on him for anything ever again. After family events keep throwing them together, Travis and Summer cant deny the spark between them. Neither of them are interested in a relationship, but a practical arrangement might solve both of their problems and get their families off their backs. And just because they arent looking for love doesnt mean it wont find them if either of them is willing to take a chance.
