History, Love, and Adventure in one!!!Von Ein KundeAre you looking for history, love, and adventure?? Look no further. Bodie Thoene's series Zion Covenant covers everything in each book. The main character(Elisa) is 1/2 jewish and the

other half is german. The setting is in Vienna Austria in the late 1930's. Elisa is thought to be full german by the gestapo so therefor she is not questioned. Eventually she gets caught up in smuggling jewish children out of Germany. Her father(being all jewish) is eventually sent to a consentration camp. Will her life ever return to normal? What is normal fo her now? Read this book and find out for your self!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. When will we see a mini-series made of Theone's works?Von Megan VillaEvery family should have this series as a family heirloom. I felt like I lost a friend when I finished the book. You grow so close to the characters. I would be thrilled to see any of her book series made into a movie mini-series. I can't get enough of her work. I've never been so impressed with another author. I would love to meet Bodie and Brock. They are spectacular. I can't wait to finish the series. I can tell you one thing, It'll be on my bookshelf as a keepsake. If I can pry it out of the hands of friends and family who want to read them as well. - Megan Villa0 von 0 Kunden fanden die folgende Rezension hilfreich.
