But one thing was missing--a man to be his own.When Andrew Collins showed up in small town, conservative Sweet, Georgia, he looked more scrawny mutt than high school senior. Andrew's plan was to keep his head down and graduate high school, leaving his family behind to start his real life.When he meets Andrew, Jack thinks he's found heaven, but reality holds him in check until one night when his lips gently slide across Andrew's and fireworks go off.As lust and something a little deeper brings them together, compelling them to take chances, people start to notice.
