Von Melissa Maygrove : Precious Atonement: A Companion Novel to Come Back (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Precious Atonement: A Companion Novel to Come Back (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Precious Atonement by Melissa MaygroveVon Pat GarciaRape is not only a violation of human dignity; it is a degradation of the human personality. Darkness overtakes the victim, and an uphill struggle begins to return from darkness to light.Precious Atonement by Melissa Maygrove tells such a story. A young girl forced into becoming a woman too soon, and a man deeply wounded by an irretrievable loss. Both have been dealt debilitating hands of cards at life's card table; both seek restoration and a reason to live.Maygrove has managed to write a realistic story of the human saga that exists even today. Precious Atonement deals with the loss of a girl's naive innocent look at life. However, Maygrove doesn't leave her characters in hopeless situations. No, she sees hope on the horizon and slowly her protagonists began walking towards the light at the end of the tunnel. Rebirth takes place as both Rachel and Jacob, (Maygrove's protagonists) move toward those healing streams of kindness.The healing streams of kindness cannot be overrated in this excellently written prose. This is a love story that depicts neighborly love as a spinning wheel spinning compassion to help two people overcome difficult circumstances.Precious Atonement is also a book with moralistic tones that are not overdone. It doesn't preach; it shows.This was my very first time reading a book by Melissa Maygrove, but it won't be my last.I am convinced that good literature changes us. Reading Precious Atonement strengthened this belief.Great job, Ms. Maygrove.Thank you for a great read.All the best.ShalomPat Garcia*For those of you in Europe who would like to buy Maygrove's, Precious Atonement, it is now on sale at for 0.99 cents in Euros for a limited time only.

KurzbeschreibungRuined women dont hope, killers dont dream, and the dead dont feel pain.Rachel Emerson is resigned to live as a spinster. Her parents keep her shameful secret, and her only brother, Seth, vanished mere days after witnessing her rape, taking her dishonor with him and giving them all an alibi for their grief. But none of that matters. Appearances are useless if she cant bear the touch of a man.Jacob Evans welcomes pain as much as he seeks to escape it. The graves of his wife and child remind him of his sins every day. When Lawrence Emerson offers him a job and a chance to move west, Jacob permits himself a fresh start. But letting go of his past is only an illusion. Lawrences sweet, shy daughter captures Jacobs heart and provides him a perfect tool for self-torment. Despite painful lessons of the past, history soon threatens to repeat itself, and as Jacobs love for Rachel grows, so does his agony. Giving his precious new wife the life she deserves might cost him the very thing he values mosther.Content warning: Although the moral context of the story is old fashioned, Precious Atonement contains descriptions of physical intimacy, adult themes including rape, and violence including sexual violence. It is intended for mature readers.KurzbeschreibungRuined women dont hope, killers dont dream, and the dead dont feel pain.Rachel Emerson is resigned to live as a spinster. When she's not busy caring for her tiny nursery patients or shuttling teenagers back and forth to after-school activities, she's hunched over her laptop, complicating the lives of her imaginary friends and playing matchmaker. Melissa loves books with unpretentious characters and unforgettable romance, and she strives to create those same kinds of stories for her readers.
