Kurzbeschreibung Born in the deep forests of the Northwest, Ilume is a girl of the woods. And of the night. Ilume might be young, she might be recovering from a broken heart, but above all she's a leader. Her pack has always come first. Then, on a rare visit to the human civilization, she meets Jared. Jared Ferlyn is a Finder, born with the gift for detecting and tracking paranormal beings. Tagging Otherworlders for the government, he has had his share of keeping fey, nightlings and other creatures from human sight. But when he crosses paths with a strange new girl, Jared is unable to classify her despite his training and experience. While tracking the mysterious newcomer, Jared is pulled far into her territory, into Ilume's territory, a dangerous environment that not even a Finder is prepared for. Ilume and Jared--born into different worlds, one the predator the other the prey-- and neither is prepared for what happens when the sparks fly between them.
