**Von Mary Higgins Clark : Pretend You Don't See Her (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pretend You Don't See Her (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Another EXCELLENT book by the Queen of Suspense!Von Ein KundePretend You Don't See Her is one of Mary Higgins Clark's best. It starts off with a bang and keeps your adrenalin up through out the entire book. You won't be able to put down this incredibly suspenseful novel. I suggest you read it.The book is about a woman named Lacey Farrell, a real estate agent. One day, while showing a skyline co-op, Lacey is witness to a murder, and the dying words of the victim.

The victim tells Lacey to take her dead daughter's journal, which Lacey makes a copy for herself, then gives to the police. Lacey is put in the witness protection program and sent to live in Minneapolis. She then discovers that the killer has traced her to Minneapolis. Lacey heads back to New York, determined to find out who's behind the death's of two women, before she herself is killed.1 von 1 Kunden fanden die folgende Rezension hilfreich. Well, it was a MHC, so it was better than most books, but...Von Rachel HansonWell, I like Mary Higgins Clark's style of writing, and I will never put down a book of hers, but I found this one to be not quite up to par with her usual quality.For one thing, it seemed quite rushed. When Lacey/Alice was thinking that Tom and she loved each other, it was only the 2nd time or so the two had been on a one-on-one level.And the culprit (I won't tell you who he/she is!) wasn't the greatest surprise either. I am used to MHC's style of having one of the main characters who you would never expect, be the killer. In this case it was a very small character. The ending also seemed very rushed and a little too conveniently.But I do not regret reading it, there were parts in the book I loved, and of course, MHC was the author so you've gotta love it baby. --Rachel0 von 0 Kunden fanden die folgende Rezension hilfreich. Another winner from the queen of romantic suspenseVon Ein KundeIsabelle Waring hires real estate broker Lacey Farrell to sell her deceased daughter's New York apartment. Lacey takes her client, CurtisCaldwell to see the apartment. Instead of selling the man a place to live, Lacey observes Curtis kill Isabelle. Lacey describes the hit man to the police, whom quickly identify him as a professional, Sandy Savarano, whose new orders are to silent Lacey. .... To protect her family, Lacey joins the federal witness protection program, becoming Alice Carroll (no comments from those in the looking glass, please). However, Lacey had to leave all her loved ones behind when she joined the program. Eventually, she slips up to her mother's pleading blandishments and tells the woman that she lives in Minneapolis. That is the lead that the mob needs to track down and silence Alice forever. .... PRETEND YOU DON'T SEE HER is a typical Mary Higgins Clark novel, filled with suspense. Lacey is a fabulous working class heroine who seems to always rise to the occasion. The witness protection program is brilliantly spelled out within the context of the tale. Though the killer is not up to the usual quality of depth readers expect from Ms. Clark, the novel is so well written that does not take away from the overall story line. Fans of Ms. Clark and suspense in general will enjoy this thriller. ....Harriet Klausner

KurzbeschreibungMary Higgins Clark sends chills down readers' spines with the story of Lacey Farrell, a rising star on the Manhattan real estate scene. One day, while showing a luxurious skyline co-op, Lacey is witness to a murder -- and to the dying words of the victim.... The dying woman is convinced that the attacker was after her dead daughter's journal -- which Lacey gives to the police, but not before making a copy for herself. It's an impulse that later proves nearly fatal. Placed in the witness protection program and sent to live in the Minneapolis area, Lacey must assume a fake identity, at least until the killer can be brought to trial. There she meets Tom Lynch, a radio talk-show host whom she tentatively begins to date -- until the strain of deception makes her break it off. Then she discovers the killer has traced her to Minneapolis. Armed with nothing more than her own courage and clues from the journal, Lacey heads back to New York, determined to uncover who's behind the deaths of the two women -- before she's the next casualty. At once seductive and frightening, Pretend You Don't See Her is the "mistress of high tension" (The New Yorker) at her ingenious best..deLacey Farrell, the heroine of Mary Higgins Clark's 15th novel, is having a bit of an identity crisis. While working as a real estate agent in New York, Lacey witnessed a client's murder, and now she's in hiding with a new name and a new life. But changing her identity doesn't completely remove Lacey from the web of danger and deceit that surrounds the crime; new clues keep popping up that suggest some kind of link between Lacey's family and the murder. Meanwhile, a new man comes into the heroine's life, further complicating an already murky situation. As any fan will tell you, Mary Higgins Clark never fails to deliver plot twists and turns that are as unexpected as they are thrilling..co.ukLacey Farrell, the heroine of Mary Higgins Clark's 15th novel, is having a bit of an identity crisis.
