Romance Von Tea P This was a quick, but good read. It was short, though there was nothing missing. I liked the plot and loved the characters. Their flirting banter was funny, their "pretending" scorching hot. And there was also more than lust between Sutton and Reeve, which made them both even more adorable. To tell you the truth I didn't expect much, but "Pretending He's Mine" totally took me by surprise. This book really cheered me up and I'm glad I've read it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung A sexy, sizzling, and deliciously fun standalone romance from the #1 New York Times Bestselling author of Big Rock and Full Package! Once upon a time in New York City, there was a down-on-his-luck actor named Reeve, who was talented and gorgeous in that dreamy, broody sort of way that makes all the women swoon. But show biz is a rough biz - he lost out on a part in a big film, and now his day job hours have been cut too. What's a handsome young thing in need of a role to do? Sign up to be the fake fianc of the sexy and shrewd casting director Sutton Brenner, who must appear temporarily attached if she's to land a coveted gig casting a red-hot film. So Sutton strikes a pact with Reeve to play the role of her fianc until she closes the deal. The trouble is - she's sexy-as-hell and damn near irresistible to him. And he's not only a great guy, but also the best dirty talker she's ever met. It doesn't take long for their pretend love affair to heat up, especially after that toe-curling night in the balcony of the Broadway theater. And that scorching afternoon in the stacks of the New York Public Library. A red-hot love affair. An intense connection. But as the lines between make-believe and matters of the heart blur, can two people working in the world of acting fake it til they make it? PRETENDING HE'S MINE is part of the New York Times USA Today Bestselling CAUGHT UP IN LOVE series and each book can be read as a standalone. \*\*Kurzbeschreibung A sexy, sizzling, and deliciously fun standalone romance from the #1 New York Times Bestselling author of Big Rock and Full Package!
