IVAN! *sighs*Von CassandraWe have met Ivan being cocky and poised in the Blackstone Affair before. We also got some hints that there might be something going on between Ivan and Gaby. Now we get the confirmation in

this new sexy, flirty, mysterious series. It turns out there's more to Ivan than the cocky bastard, one who's lonely and hurt. Until he meets Gaby under very interesting circumstances. And from here on out...we see another side of Ivan. He fell for a mysterious woman who cast her spell over him. A woman that changes him, that gives him kinda hope that with her things will be different. He's willing to catch her every time she tries to run. Gaby...funny, gorgeous, fashion-loving Gaby that has been the best friend for Brynne finds herself in a situation that she can't talk about. She's ashamed of it. It reminds her too much of her past. And yet, she can't resist the charming dominant persona that is Ivan. As much as she tries to run, Ivan will run for her. A fact she's very much afraid of. The chemistry between them is like a firework and yet only starting as the end of book one promises. We already get hints that their past will haunt them. Whatever it is will be heartbreaking and probably bring us to tears. It will definitely influence their growing relationship and fights and arguments will test them for sure. Raine Miller created another fabulous, awesome, beautiful, stunning spin-off to the Blackstone series. We go back in time and meet Brynne and Ethan again as well as Neil and Elaina and everyone else. It's the cherry on top! So looking forward to October! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Enttäuschend Von reader Die Leseprobe war vielversprechend, aber nach den 10% fiel die Qualität von Handlung und Schreibstil rapide ab. Die Dialoge sind kurz, der Baron ein unerträglicher Macho, die Heldin hat gar kein Rückgrad, die Geschichte mit dem nächtlichen Flug eher unwahrscheinlich (auch in England müssen Flüge bei der Luftberwachung angemeldet werden). Der Fortgang der Geschichte ist vorhersehbar: sie nahm Antibiotika, dann wirkt die Pille nicht, da die Beiden das Wochenende im Bett verbringen, wird wohl ein Kondom nicht dicht sein und sie wird schwanger werden. Das Buch war kürzer als die versprochenen 260 Seiten, die Autorin will wohl mit drei Bchern mehr Geld einnehmen. Der zweite Teil sollte laut Ankündigung auf der letzten Seite 2014 herauskommen, ist es bis jetzt noch nicht. Wer weiß, wie lange man dann auf den dritten Teil warten muss. Dieses Hppchenweise Lesen mache ich nicht mehr mit.

Kurzbeschreibung Ivan Everley, 13th Baron Rothvale, would admit he's the last person on earth who should have custody over a priceless collection of art. British law affords him the title of 'Lord,' but underneath all the trappings he's just a regular guy, despite being a world champion in archery, and certain...proclivities of a private nature. But Ivans public celebrity is merely a shama carefully guarded secret borne out of the pain of betrayal. Even his cousin Ethan Blackstone doesn't know the truth behind the man he considers a brother. Lord Rothvale has a plethora of problems piled up to his aristocratic eyeballs, but that doesn't stop him from complicating his world further when a beautiful art conservationist shows up to appraise his inherited collection of paintings. Once Ivan gets a taste of Gabrielle Hargreave, mistaken identity or not, he can't think of anything but how good the green-eyed beauty felt in his arms. The chase is on, and Ivan's dominant side isn't taking 'no' for an answer but yet, Gabrielle might just teach our discontented lord a thing or two about life, and about himself, and help them both discover the undeniable truth in what it means to find something genuinely... priceless. Ever since she picked up her first romance novel at thirteen years of age, she's been hooked. Filthy Rich the first book in her all-new series, Blackstone Dynasty is Raine's latest contemporary romance. Raine lives with her handsome husband, brilliant sons, and two very bouncy (but beloved) Italian greyhounds.
