Von Lelia M. Silver : Pride and Precipice (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pride and Precipice (English Edition):

Sehr romantisch, keine Sexszenen. Am Ende vielleicht etwas unrealistisch (Heiratsantrag) und auch leicht bereilt. Ich htte gern noch etwas weiter gelesen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Don't waste your time on this bookVon DaisyA lousy attempt

at a modern-day version of "Pride and Prejudice". Boring, no suspense, flat characters, and full of clichs.

KurzbeschreibungIn this modern re-telling of Pride and Prejudice, Elizabeth Bennet is a general contractor specializing in the restoration of historic homes. When she and her sister Jane are tasked with the job of turning Netherfield Park into the latest addition in the Bingley Hotels and Hospitality Services chain of hotels, they are introduced to Charles Bingley and Fitzwilliam Darcy. So begins one of the greatest love stories of all time. But the world is different now than it was when Jane Austen wrote the revered tale, and although Lizzy and Darcy are on the precipice of falling in love, it will take more than letting go of their pride and prejudice to take them over the edge.
