Von Susan Sizemore : Primal Heat (Primes series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Primal Heat (Primes series):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Mu fr Freunde von Vampir-Romancen Von Anina Ein toller Mix aus Spannung und Sex. Es war das erste Buch der Serie,

das ich gelesen habe. Ich fand es zufällig im örtlichen Buchladen und nach dem Lesen habe ich als erstes die anderen vier Folgen bei bestellt. Das ideale Buch um die Zeit zu vergessen.

Kurzbeschreibung Can a heroic vampire protect his clan from danger -- and save himself from burning desire? As Prime of his vampire Family, Mathias Bridger is sworn to protect his own kind at any cost -- but years of acting as a fierce guardian of his people have left him yearning for more out of life. His chance comes in the form of Phillipa Elliot, the beautiful police officer whose allure hasn't dimmed in the two years since they had a brief, torrid affair. And though she's involved with someone else now, Phillipa can't deny the feeling that Matt is her destiny. When the Family comes under attack from fanatical vampire hunters, Matt uncovers treachery that shatters his world. So how can he possibly invite Phillipa into it? Fighting to protect his kin, he tries to push Phillipa away to the safety of her mortal life -- but he aches for her, and his will is no match for the flames of their all-consuming passion. . .
