Primal indeedVon butterflykissesI received this book for free from the authorAvalon, King Arthur, dragons, wolves, Panthers, magic.....all good things.Cori thinks she's going crazy, losing her mind. Only her conversations with her neighbor

Ryker keep her from going over the edge. Little does she know that she's about to find herself in the middle of a magical world she thought was only a story. Ryker had other plans for Cori, but as he follows her he sees she is nothing like he thought she was. Nothing like her father, the man Ryker blames for the death of his sister and her 2 boys. Coming face to face with her changes everything. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Really good :D Von MonaI borrowed this book with Kindle Unlimited and really liked it. The story was interesting and the protagonists were likable. The ending was a bit sudden, it should have been a little bit longer. 4 Stars!

Kurzbeschreibung He wanted revenge--not a mate. For months, Corrine Lawson has walked a fine line between reality and madness. The only thing keeping her sane is her mysterious next-door neighbor, Ryker. The closer she gets to uncovering the truth about him, the harder it becomes to resist him. Both man and wolf, Ryker McKinnon has spent nearly a century tormented by his past, hungering only for vengeance until he finds Corrine, a spirited mortal and the key to his redemption. Determined to use Cori as a pawn in a deadly game of revenge, nothing prepares Ryker for the staggering emotion her touch unleashes or the brutal need to claim her as his own. When Cori is caught in the middle of a bitter feud, will Ryker's secrets destroy the woman he loves or finally awaken the fierceness inside her? **Warning:** There's nothing tame about this alpha male hell bent on claiming his mate.
