Von Jack Silkstone : PRIMAL Unleashed (A PRIMAL Action Thriller Book 2) (The PRIMAL Series) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised PRIMAL Unleashed (A PRIMAL Action Thriller Book 2) (The PRIMAL Series) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Viel

Action, wenig Charakterentwicklung und -konsistenz und schwache Dialoge Von Kundenrezensionen Dies ist zwar eigentlich der zweite Teil der PRIMAL-Serie, aber der erste der - laut Hinweis des Autoren auf einem Laptop in Afghanistan - geschrieben wurde. Nachdem seine Eltern auf einem Flug in einer israelischen Verkehrsmaschine gettet wurden, als diese von Unbekannten aus dem Himmel geblasen wurde, wurde der australische Elite-Soldat Aden Bishop bei deren Beerdigung in Barcelona für die antiterroristische Vigilantengruppe PRIMAL angeworben. Er selbst versucht nur wenig später den indiensttunigen Marzi zu rekrutieren, den er aus seiner Zeit bei den UN-Schutztruppen kennt. Doch mitten in das Gespräch platzt ein neuer Auftrag, bei dem es auch um den Verantwortlichen für den Tod seiner Eltern geht. Während Bishop und einige andere PRIMAL-Angehörige in Europa einem mächtigen Waffenhändler nachjagen, begeben sich Ice und der neu angeworbene Mirza nach Afghanistan, wo es gilt zu verhindern, dass eine Massenvernichtungswaffe in die Hände der Taliban fällt. Zwei Aufträge die eng miteinander verknüpft sind und die auch die iranischen und ukrainischen Sicherheitsdienste mit auf den Plan rufen. In der Problematik und dem strategisch-taktischem Umgang damit interessant und unterhaltsam - irgendwo zwischen Bond und Agents of S.H.I.E.L.D.. Dies gilt aber leider weniger für die anderen Textbereiche und die Charakterdarstellungen sind nicht wirklich überzeugend (da hat das später geschriebene 'Origin' mehr zu bieten) und die Dialoge der PRIMAL-Angehörigen erscheinen oft banal und unprofessionell, wenn sie nicht sowieso mangelnde Bezüge aufweisen. Hier hätte man sich - auch wegen gelegentlich fehlender Wörter - eine professionelle Korrektur und ein Lektorat gewünscht. Nicht wirklich zu empfehlen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great read Von Customer Action packed and not too James bond type of story. Can't wait for next one and continue the journey. If you like SF then a sure fire read

Kurzbeschreibung The mission began, in 1989 Afghanistan, when a Russian platoon battled Afghan warriors--and raced to bury forever a devastating secret worth the greatest sacrifice. It could end apocalyptically, in the present, if a sinister evil escapes its sealed tomb...into the hands of one of the same men who fought to bury it. Intel suggests that's exactly what's happening: A Ukrainian veteran of the '89 Soviet-Afghan conflict, battle-scarred and cold-blooded, is now a wealthy businessman--with a sideline selling deadly hardware to the highest bidders. He's getting ready to make his biggest deal yet with a radical Iranian commander hell-bent on possessing the ultimate doomsday weapon. Only the battle-tested skills, state-of-the-art tech, and no-rules-but-their-own attitude of covert vigilante strike force PRIMAL can keep bloodthirsty madmen from unleashing hell on earth. PRIMAL deals unconditional justice--with cold steel--to a world in dire need of heroes. *** Jack Silkstone's background includes a career in military intelligence and special operations, working alongside some of the world's most elite units. His love of action-adventure stories, his military background, and his real-world experiences combined to inspire the no-holds-barred PRIMAL series. *** PRIMAL is a team of elite operatives, hell bent on fighting for the downtrodden and oppressed. A renegade agency waging a secret war against the untouchables; powerful criminals, greed driven corporations, and twisted politicians. With cutting-edge technology and tactics they strike across the globe with impunity, stepping in where governments fail. PRIMAL books are dedicated to those who have fought for a just cause. It is recommended the PRIMAL books are read in order: 1. PRIMAL Origin 2. PRIMAL Unleashed 3. PRIMAL Vengeance 4. PRIMAL Fury 5. PRIMAL Reckoning 6. PRIMAL Nemesis 7. PRIMAL Redemption 8. PRIMAL Renegade PRIMAL Mirza and PRIMAL Inception are stand-alone prequels.
