Erzählerisch verbessert - und eine rasante Leseerfahrung
Von Kundenrezensionen
Seit der Abspaltung Sdsudans vom Rest des Landes ist die Region nicht zur Ruhe gekommen. Wahrscheinlich von der sudanesischen Regierung unterstützte Jamjaweed-Milizen terrorisieren die Bevölkerung und Vetos der am sdsudanesischen I interessierten Chinesen und der Russen in UN-Sicherheitsrat hindern die internationale Gemeinschaft am Eingreifen. Das ruft PRIMAL auf den Plan. Nach dem Versenken eines chinesischen Frachters voller militärischem Material für die Janjaweed verschlgt es Bishop und Mirza in das zerrissene Land um eine aufkeimende Widerstandsgruppe gegen die Jamjaweed zu unterstützen. Und das erweist sich als eine wesentlich komplexere Aufgabe als ursprünglich angenommen. Der dritte Band der PRIMAL-Reihe zeigt deutliche handwerkliche Fortschritte gegenüber seinen beiden Vorgängern. Die Charaktere - auch die neuen - sind wesentlich weniger 'typisch' und nur ein, zwei Dialoge zeigen punktuelle Bezugsschwächen. Und so erzählt 'Vengeance' eine spannende, rasante Actiongeschichte, die irgendwie die spannendsten Elemente von 'Marvel's Agents of Child' mit Scarecrow von Matthew Reilly zusammenbringt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. action packet book in south Sudan. Von Kindle Customer
Ideal if you are looking for an action packet novel with good fights and a bit difficult to believe organization with an exorbitant quantity of resources. The main problem is that the organization the main characters work for looks to much unreal for how much capacity has to found what is necessary when is the right moment. If the lack of hyper reality on that section does not bother you, like it didn't bother me, is a great book to read and have fun with.

Kurzbeschreibung
In war torn South Sudan the Dinka tribe is waging a desperate war for a better future. Fighting for its oil-rich land against an invasion of murderous Arab militias, its only when PRIMAL intervenes that the Dinka have a chance for survival. Teaming up with Jonjo, a teenage warrior, and Garang, an American-educated veteran, they train and equip the ragtag band of freedom fighters. From the bush of Sudan to the streets of Shanghai and back, our global vigilantes go blow for blow with a merciless enemy that's deserving of a lesson in double-barreled diplomacy. ***PRIMAL is a team of elite operatives, hell bent on fighting for the downtrodden and oppressed. A renegade agency waging a secret war against the untouchables; powerful criminals, greed driven corporations, and twisted politicians. With cutting-edge technology and tactics they strike across the globe with impunity, stepping in where governments fail. PRIMAL books are dedicated to those who have fought for a just cause. It is recommended the PRIMAL books are read in order: 1. PRIMAL Origin 2. PRIMAL Unleashed 3. PRIMAL Vengeance 4. PRIMAL Fury 5. PRIMAL Reckoning 6. PRIMAL Nemesis 7. PRIMAL Redemption 8. PRIMAL Renegade PRIMAL Mirza and PRIMAL Inception are stand-alone prequels.

Jack Silkstone grew up on a steady diet of Tom Clancy, James Bond, Jason Bourne, Commando comics, and the original first-person shooters, Wolfenstein and Doom. His background includes a career in military intelligence and special operations, working alongside some of the world's most elite units. His love of action-adventure stories, his military background, and his real-world experiences combined to inspire the no-holds-barred PRIMAL series.
