Von Lynda La Plante : Prime Suspect before purchasing it in order to gage whether or not it would be worth my time, and all praised Prime Suspect:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. GRIPPING STORYVon Ein KundeI read this book in one go on the train from London to Brussels and finished in before we arrived. Once I started I couldn't put it down. The character of DCI Tennyson just leaped off the page. I

certainly like Linda LaPlante's crisp way of writing and her strong female characters.

KurzbeschreibungAn international bestseller, Lynda La Plante's thrilling detective novel *Prime Suspect* introduced readers around the world to Detective Chief Inspector Jane Tennison, a gritty investigator locked in a tooth-and-nail struggle to claim the authority, acceptance, and respect she deserves from Scotland Yard's chauvinist detective squad even as she desperately tracks the maniac now running loose in the streets of London. Fans of Sue Grafton's Kinsey Millhone books and the work of Kathy Reichs or Karin Slaughter will be immediately drawn to La Plante's Jane Tennison, the remarkable, no-nonsense police woman who laid the groundwork for all the rest who followed.
