Herrlicher Badewanne TrashVon Debby GastesWir sprechen hier nicht ber anspruchsvolle Literatur! Es geht einfach

um gute, schlichte Unterhaltung. Wenn man so was mag und sich darauf einlassen kann, macht es himmlischen Spa!:-)

Kurzbeschreibung Five alluring actresses all covet the leading role of the scheming enchantress Miranda on television's hottest new nighttime soap, "Saga." All five are driven, powerful and ambitious enough to make certain they win by any means. But the choice has already been made by a man also driven by desperate motives. From Publishers Weekly Collins's experiences enhance the various Hollywood settings with a good blend of glitz and gossip

Synopsis The latest novel from Joan Collins is set in the world of television, where five beautiful women compete for the leading role in a new series. Envy and hatred within the tangled web of relationships and personal ambitions intensify to reveal the ugliness beneath the surface of Hollywood glamour.
