Great kick off to the the TDD series!Von pontmarieI finally found a copy of Prince Joe and it didn't disappoint. A European Crown Prince is targeted by terrorists and as he is the spitting image of Lt. Joe "Cat" Catalonotto, Joe is enlisted to

pose as the Crown Prince, and hopefully become the target so that the would-be assassins can be caught. Veronica St. John is Prince Tedric's media assistant, and it's her job to transform the rough, New Jersey-accented Joe into Prince material. Although Veronica is strongly attracted to Joe, and viceversa, each believes that their worlds are just too different for a relationship to ever work. As time goes by and the two are thrown together, Joe and Veronica realize that the danger of their mission might mean that they don't have a future together, even if they wished to. This is a great book, the characters are well drawn and we meet several of the men who have their own stories told in the SEALs' later books. Joe Cat and Veronica are characters to cheer for.

Run - Do not walk to buy this book!  
Von CustomerI absolutely love this book and must have read it a dozen times. Joe is the most amazing, complex, sexy hero you could ask for and Veronica at first seems to be so reserved and stand-offish, but wow, do things heat up! This is the first book in the TDD (Tall, Dark and Dangerous) series and I can't believe they just keep getting better and better with each adventure. I love them all and can't wait for Lucky's book, which is next, but Joe Cat has a very special place in my heart. When an author makes you care about, remember and want to re-read about a character, you know you've found one terrific author. Keep up the marvelous work, Suzanne. And thanks from the bottom of my heart. (Yes, the one last skips a few beats thinking about a certain Navy SEAL.)

Von Book LoverDies ist der erste Teil der "Tall, Dark and Dangerous" Serie der Autorin, in der es um die Helden des SEAL Teams, einer Spezialeinheit der amerikanischen Marine, geht. Kronprinz Tedric Cortere von Ustanzia ist Ziel einer gemeinen Terrororganisation geworden. Nachdem es Veronica St. John, seiner Medienberaterin, im letzten Moment gelungen ist, dem Kronprinzen sein Leben zu retten, wird Lieutenant Joe Catalanotto, der dem Kronprinzen sehr hnlich sieht, aufgeboten, bis zum nchsten Anschlag in die Rolle des Kronprinzen zu schlpfen. Veronica muss Joe jedoch bei dieser Verwandlung helfen. Die beiden kommen sich whren dieser intensiven Zusammenarbeit nher. Wie geht's mit den beiden weiter? Zu meiner groen Berraschung ging es in den verschiedenen Geschichten nicht nur um Mord, Totschlag und andere Heldentaten, sondern auch um die ngste sowie Emotionen des Leiters dieser Spezialeinheit. Suzanne Brockmann ist es auf subtile und romantische Weise gelungen, das emotionale Innenleben Joes und Veronicas einzufangen und einflussam sowie berzeugend an ihre LeserInnen weiterzuvermitteln. Gut gemacht!

Kurzbeschreibung  
New York Times and USA TODAY bestselling author Suzanne Brockmann has thrilled audiences with her Tall, Dark and Dangerous series. Experience it here with a hero who must face the most daring adventure of all: falling in love. Love is the toughest assignment of his life. It will be the biggest challenge of Veronica St. John's career. She has two days to teach a rugged Navy SEAL to impersonate a European prince who has been targeted by terrorists. It's a tough assignment, but Veronica is sure she's up to the task until she actually meets Joe. Despite his physical resemblance to the handsome prince, Lieutenant Joe Catalanotto is nothing like the stuffy aristocrat. Everything about the combat-hardened Navy SEAL—from the arrogant gleam in his eyes and streetwise attitude to the New York accents—says regular guy, not royalty. One conversation and Veronica knows nothing could turn this military man into an aristocrat. Joe, on the other hand, is confident he's got what it takes to complete his duty. But neither of them expects their assignment to include falling in love.
