**Von Lisa Kleypas : Prince of Dreams (Stokehursts)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Prince of Dreams (Stokehursts):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. I've read this book over and over...Von Patricia M. ScottPrince of Dreams was the first book by Lisa Kleypas that I read, and

also the first time travel story as well. Although she freely incorporates fantasy into the plot, it is quite believable. I enjoyed the fact that Emma is portrayed as a strong, independent woman who is also not the stereotypical frail, helpless, perfect-looking heroine. Kleypas is wonderful in describing the opulent lifestyle of the Russian nobility. It is also wonderful to find that Nikolas, the antagonist in *Midnight Angel*, learns to love again by travelling to the past. The description on the back of the book is rather misleading and doesn't indicate clearly how enjoyable this book is. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Prince, you say? Von Ein Kunde The book was all right. I disliked the character of Nikolas from the very beginning and couldn't fathom how traveling back into the past could've managed to effect such change in him. But let's not forget Emma, who was too head-strong for her own good and was blind to many things. The back cover blurb reads: "A wealthy and bitter exile, the most dangerous and desirable man in all England, he burns to possess a proud, headstrong beauty who is promised to another. But winning Emma Stokehurst's exquisite hand through threats and determination does nothing to fill the empty spaces in Nikolas's heart--until passion's magic carries the handsome, tormented prince back to a bygone era of splendor and romantic dreams. For there his destiny awaits him in a distant life. And in one remarkable woman's tender touch--achingly familiar but gloriously new--he must seek the elusive promise of ecstasy...and learn, at last, to love." PRINCE OF DREAMS is the story of Emma and Nikolas, who first appeared in *MIDNIGHT ANGEL*. S.1 von 1 Kunden fanden die folgende Rezension hilfreich. The Magic of Love Von Kimberly J. Watson "Prince of Dreams" is a wonderful story. I've always been fascinated by stories that involve the idea of reincarnation and past lives. Especially the idea that we have one soul mate that will be with us in other lives, through out all time. This is only the second book I've read that involves this idea. I think it is the most romantic concept ever conceived, and Lisa Kleypas does a wonderful job of turning this concept into an engrossing book. Once I hit the point that began dealing with past lives, I couldn't put the book down until I had finished it. This story is a wonderful addition to any romance collection. It is now an important part of mine.

Kurzbeschreibung A wealthy and bitter exile, he most dangerous and desirable man in all of England, he burns to possess a proud, headstrong beauty who is promised to another. But winning Emma Stokehurst's exquisite hand through threats and determination does nothing to fill the empty spaces in Nikola's heart until passion's magic carries the handsome, tormented prince back to a bygone era of splendor and romantic dreams. For there his destiny awaits him in a distant life. And in one remarkable woman's tender touch achingly familiar but gloriously new he must seek the elusive promise of ecstasy . . . and learn, at last, to love. From Publishers Weekly In English exile from his Russian homeland and his family, Prince Nikolas Angelovsky is a wonderfully romantic, dark and brooding hero complete with a haunted past. One of his occupations in exile has been watching Emma Stokehurst and waiting for her to reach marriageable age. But Emma nearly slips from his grasp when she makes marriage plans of her own to a fortune-hunting scoundrel. Nikki puts the fear of God into her intended, sending him off to marry another heiress. Unaware of the intrigue surrounding her suitor's desertion, the devastated Emma agrees to a marriage of convenience with Nikki, who promises her personal freedom, access to his vast wealth and a lasting sanctuary for her menagerie of abused animals. But once they're married, Nikki steers clear of his bewildered bride, eventually turning ruthlessly cold and hard. This is where the haunted past comes in, one that gives readers a clue as to Nikki's horrid behavior. But readers have no clue that Nikki's about to be zapped back 170 years to 1707, into the character of one of his ancestors. For some 100 pages? practically a novella? Kleypas deserts the main point to plague us with this ancestor's tragic love story, which is intended to teach Nikki a lesson. Kleypas's (*Only with Your Love*) style is clear and uncomplicated. If one can forgive the flashback (most easily done by skipping it), then the rest of the book is a treat. Copyright 1995 Reed Business Information, Inc. Pressestimmen "A Real Joy"-- Kathleen E.
