Stuart does it again!!Von Deborah MacgillivrayAn elegant game of cat and mouse set in Victorian England, Anne Stuart delivers a story that is sure to please. Alastair MacAlpin is one of the privileged aristocrats. He is also the notorious thief known as The Cat. Jessamine Maitland was once part of the elite, but now she

does tarot card readings to keep her family solvent. Jessamine's special talent of 'seeing' is a threat to Alastair, but then so is his attraction to her. No one can create a blackhearted bad boy, with nothing to give to the world, better than Stuart. She is the Queen!! And this is Anne Stuart at her best! She creates characters that grab your heart, stories that enchant and mesmerise you, and makes you sorry to put down!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good, twice Von Ein Kunde I rarely ever read a book of fiction twice, even if I loved it the first time. I had picked this up in preparation for a snowstorm, without realizing I had read it a couple of years ago. About three pages into it, I remembered having read it, but found it entertaining enough to finish it again. It was very well written, a very tangled web, and it is hard to discern exactly how it will turn out. Tough, but not unfeminine, female characters, and all the characters were very well defined. I did dislike the forceful seduction scenes, however. But, I'm looking forward to reading more by this author. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Guter Krimi mit Magie Von Ein Kunde London, Ende des 18. Jahrh. Die mittellose Adlige Jessamine arbeitet als Wahrsagerin, um ihre Familie zu ernähren. Während einer Tarot-Lesung trifft sie den schottischen Lord Alastair, der erste Mann, der sie von den Karten ablenkt. Alastair ist jedoch überhaupt nicht an Wahrsagung interessiert - aber sehr an der mysteriösen Wahrsagerin. Außerdem beunruhigt ein frecher Juwelen-Dieb die Reichen von London... Viel Spannung und Gefühl, nett und kurzweilig erzählt. Als willkommene Abwechslung empfand ich die Helden, die mal nicht an vergangenen traumatischen Erlebnissen leiden.

Kurzbeschreibung Take an aristocratic cat burglar, a down on her luck gentlewoman who reads Tarot cards for living, add in a wicked villain, beheadings, the Tower of London, and luscious sex, and you end up with PRINCE OF SWORDS, a classic romp of a Georgian romance..de Anne Stuart delivers a cat-and-mouse story that is sure to please.
