KurzbeschreibungA visit with Bavaria's royal family was supposed to be the stuff dreams were made of for Annie Trevarren, an American girl abroad. Instead it was turning into a disaster. First Annie impetuously crawled onto a castle roof and had to be rescued by Crown Prince Rafael St. James himself. Then her dearest friend, the prince's sister, Phaedra, balks at an arranged wedding. The peasants rebel. The throne totters. Worst of all, Annie is losing her heart. Alas, Prince Rafael is no knight in shining armor. His former mistress has moved into the castle, and his notorious temper is flaring. But when fate brings Annie and her prince together in a secluded cottage, she can see his stern gaze soften. And his fleeting caresses...is Rafael seducing her? A future with him is highly improbable -- but a life without him is unthinkable. Rafael may intend to offer her a lesson in passion, but she'll teach the arrogant prince a better one: nothing is a greater ruler than love!**From Booklist**In revolution-torn Bavaria, Annie Trevarren is helping her friend Phaedra, the princess, prepare for her upcoming arranged marriage. Phaedra's brother, Rafael, the ruling prince, is still grieving his late wife, but he is determined to see Phaedra married. Annie enlivens Rafael's bleak life as he faces a rebellion against his late father's villainy. Rafael refuses to see Annie as a woman in love with him until she virtually seduces his pants off. Meanwhile, the revolution reaches its final stages and Rafael is besieged at the family keep. He arranges for Annie to leave with her father before he joins the fighting, but Annie is determined to return to rescue Rafael from certain death with or without any help. In this companion novel to *Taming Charlotte* (Pocket, 1993), Annie Trevarren proves she is just as determined as her mother, Charlotte, when it comes to choosing the right man and keeping him at all costs. Highly recommended for all collections. **Melanie Duncan****Pressestimmen****Romantic Times**Linda Lael Miller enchants readers.
