Fantastische Fortsetzung!Von WiccaIn diesem Buch wird ganz klar, warum Nate nie eine feste Beziehung mit den vielen Frauen eingegangen ist, die er ber die Jahre kennengelernt hat.Auerdem wird enthllt, welches dunkle Kapitel Nate in seiner Vergangenheit begraben hat.Ich bin schon ganz gespannt darauf, welche Verbindungen Nates Eltern zu den Zwergen gehabt haben und wie es mit seiner Magie, den Runen und dem ganzen Drumherum weitergeht.0 von 0

Bestandteil einer spannenden Reihe Von Armen Zwar sind heute solche Romane meist Aufgüsse alter Ideen, aber die entwickelte Welt ist stimmig und es gibt eine Charakterentwicklung, die Spaß macht. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Interesting take Von Ronald Beier After reading the first book in this series, "Crimes against Magic", I was curious as to where the author would take his characters. The synopsis of "Prison of Hope" sounded promising, so I bought it and began reading. The categorisations of blood magic and necromancy and the slightly shifted portrayals of mythological characters was at first interesting but tends to become a bit worn. Somehow I seem to miss the truly "magical" (in the sense of arcane, awe-inspiring, full of wonder) in the portrayal of the magic that Nate uses. Some things seem a bit formulaic: all of the ancient gods and famous characters seem to be incredibly rich, the fights start to resemble each other and always nearly kill Nate, there is a great deal of explaining and telling as opposed to showing. The novel is nevertheless entertaining and, if half stars were allowed, I'd rate it three and a half.

Kurzbeschreibung Long ago, Olympian gods imprisoned the demon Pandora in a human Hope creating a creature whose only purpose was chaos and death. Remorseful, the gods locked Pandora away in Tartarus, ruled by Hades. Now, centuries later, Pandora escapes. Nate Garrett, a 1,600-year-old sorcerer, is sent to recapture her and discovers her plan to disrupt the 1936 Berlin Olympic Games, killing thousands in a misplaced quest for vengeance. Fast forward to modern-day Berlin, where Nate has agreed to act as guardian on a school trip to Germany to visit Hades at the entrance to Tartarus. When Titan King Cronus becomes the second ever to escape Tartarus, Nate is forced to track him down and bring him back, to avert a civil war between those who would use his escape to gain power. Prison of Hope is the fourth book in the highly acclaimed and action-packed dark urban fantasy series, the Hellequin Chronicles.
