Produktbeschreibung Even for Private Investigations, the worlds top detective agency, its tough to find a man who doesnt exist . . . Craig Gisto has promised Eliza Moss that his elite team at Private Sydney will investigate the disappearance of her father. After all, as CEO of a high-profile research company, Eric Moss shouldnt be difficult to find. Except its not just the man whos gone missing. Despite the most advanced technology at their disposal, they find every trace of him has vanished too. And they arent the only ones on the hunt. Powerful figures want Moss to stay lost, while others just as ruthlessly want him found.
