Von James Patterson : Private Vegas: (Private 9) before purchasing it in order to gage whether or not it would be worth my time, and all praised Private Vegas: (Private 9):

KurzbeschreibungShowgirls. Millionaires. Murder.Jack Morgan, head of Private Investigations, the global PI agency

of the rich and famous, is being pushed to the limit. His car has been firebombed, his ex is dating someone else, and his twin brother is still out to destroy him. But Private doesn't rest, and neither do its clients: not the LAPD who need Private's help catching two scumbags with diplomatic immunity, and not the client who has just confessed to murdering his wife. Add to that Jack's best friend being held on a trumped-up charge that could see him locked away for a very long time, and it seems like all bets are off. *Pressestimmen* Praise for Private Berlin: "Patterson has always been an expert at conceiving chilling villains of his many pieces, and with Sullivan, he achieves new heights of terror.... Private Berlin will make you a fan of this wide-ranging and marvelously conceived series, if you are not one already." --Bookreporter.com "Private Berlin promises fast paced action and unforgettable characters with plot twists and deceptions worthy of any James Patterson novel." --Examiner.com *Werbetext* What happens in Vegas, ends in murder . . .
