Hochspannend! Von demosthenes Spannender, sehr realitätsnaher Thriller mit viel rechtlichem Hintergrund, sodass es Spass macht mitzulesen. Ausserdem sind die handelnden Personen gut nachvollziehbar.

Kurzbeschreibung Grace McCreary swears she tried to stop her sister-in-law from jumping from her penthouse balcony but the police have a different take on the situation. They arrest Grace for murder which puts her brother, Senatorial candidate Matthew McCreary, in a spotlight he doesn't relish. Nor is he thrilled when Grace seeks out his former lover, Josie Baylor-Bates, to act as her defense attorney. Josie, who has sworn off rich clients, agrees to defend Grace but even she isn't sure why. She swears she believes in the woman's innocence but in her heart she wants to prove that Matthew made a mistake letting her go. Stepping back into the world of privilege and power, forced to face her feelings for a man she once loved, Josie is determined to win this case - even if she loses everything she holds dear. "Living in Los Angeles makes one aware that the rich have a leg up in our legal system. People of privilege have a lot to protect and people they love can be at the end of the list." Rebecca Forster "Riveting" - USA Today "Enthralling" - Nancy Taylor Rosenberg Pressestimmen "One Of Today's Best Writers Of Legal Thrillers."
