Von Susan Mallery : Prodigal Son (Harlequin Bestselling Author Collection) before purchasing it in order to gage whether or not it would be worth my time, and all praised Prodigal Son (Harlequin Bestselling Author Collection):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Interesting Story with unexpected endingVon tonionThe novel is good and intersting, But at the peak of the troubles it

ends in a few pages without solving the troubles. It seems like you are waiting for your train, The train comes and the novel has to end. The second novel (Best laid Plans) is a nice theme, showing successful lawyers like human beings! A short story to smile

Kurzbeschreibung THE CEO'S REDEMPTION Jack Hanson knew what he wanted, and it wasn't a media empire. After his father died suddenly, Jack was forced to leave his law practice and take over his father's company. And, oh, yeah, pull it back from the brink of catastrophe. The one bright spot in the whole mess was his new hire an old business-school friend, Samantha Edwards. Samantha was just as smart, fun and vibrant as she'd been in school, but now she was a hell of a lot sexier. Samantha Edwards knew what she wanted, and it wasn't love. She'd already made a mess out of her life once. She wasn't about to jeopardize the best job she'd ever had by breaking the cardinal rule of business falling for the boss. And yet, Jack needed her. And she needed him because if he could put the company back together, perhaps he could heal her, too.
