KurzbeschreibungPROFESSIONAL SIN (#2) is an erotic romance of 19,000 words. Contains sexy billionaire bosses and office romance. The skills that keep Lindsay alive are turning into liabilities. She needs to keep covering her tracks, which leads to lying to her bosses in order to hide her true identity. Hawthorne, Romeo and Slade are powerful men who have zero tolerance for what they perceive as disrespect. They spell it out clearly: no more lies. As much as Lindsay wants to walk away, she knows the three men give her something no one else can. When someone from her previous life recognizes her, her bosses demand to know who she really is and what she's running from. Is a half-truth a truth? Or is it just another lie? This BDSM romance contains dominance and submission and many other delights. For adults only. Romantic suspense.
