Kurzbeschreibung Step 1: Dump Mr. Wrong. . . Philomena Donovan just broke up with the perfect guy. Barry's rich, handsome, and sweet as can be. In short, he's wonderful. . . for somebody else. So it's bye-bye Barry until Mena needs him back, not for romance, but to get one up on her superior sister, Daphne. There's just one hitch: Barry's met his soul mate and it's not Philomena. . . Step 2: Date Mr. Right. . . On to Plan B: Make Barry look bad in front of his new girlfriend and snag him on the rebound. Mena even spices up the brew by dating Barry's best friend, Rio. If this doesn't lure her ex back into the fold, nothing will. Then the unthinkable occurs. . . Step 3: Pick up the Pieces. . . Love. It wasn't supposed to happen, not with Rio at least. Sure, he's gorgeous, funny, and smart, but someone who teaches boxing for a living will never get her parents' stamp of approval. And when Rio finds out what Mena's really been up to, it's time for some serious damage control. Now, if she wants to make things right, Philomena will have to start thinking with her heart. . . "Perry's strong writing and humorous banter make this story enjoyable." --RT Book s From Booklist Philomena Donovan's boyfriend, Barrington Emery Wallace III, has money and prestige, but he kisses like a St. Bernard. As soon as she breaks up with him, her parents invite her and Barry to her perfect sister Daphne's thirtieth birthday party. Mena's parents are Barry's biggest fans, and he is the only thing about her they approve of. Following her lifelong habit of trying to please her mother and father (albeit unsuccessfully), Mena decides to get her boyfriend back. But there's a glitch: Barry has replaced Mena with another woman. Using television hero MacGyver's planning tactics, Mena decides to date Barry's best friend, the stunningly handsome boxing instructor, Riordan McKenna, to make Barry jealous enough to leave his new love. But instead of the results she expects, Mena finds herself falling for the hunky Rio, a man her parents definitely won't endorse as son-in-law material. Perry (Project Daddy, 2006) has fashioned a hilarious romp with clever characters, especially Mena; her best friend, Matt; and Mena's insect-collecting, environmentalist parents. A sure-to-please, entertaining romantic comedy. Mosley, Shelley Pressestimmen "A wacky romance that keeps readers laughing while touching them at the same time." Romantic Times"
